

Holmes Harbor Rod and Gun Club is launching a different approach for scheduling the required range orientation classes, in order to handle all the new members that have recently joined, as well as to maintain social distancing during the pandemic.

Classes will be limited to 6 participants, and will be taught by Sundown Bova (Thursdays 2PM), Dave Shupe (Saturdays 2PM), and Tom McCaffrey (Sundays 2PM), August through October. An online system at [hhrgc.setmore.com](http://hhrgc.setmore.com) has been set up for you to sign up for one of these classes. Below is a brief walkthrough/tutorial on how to sign up.

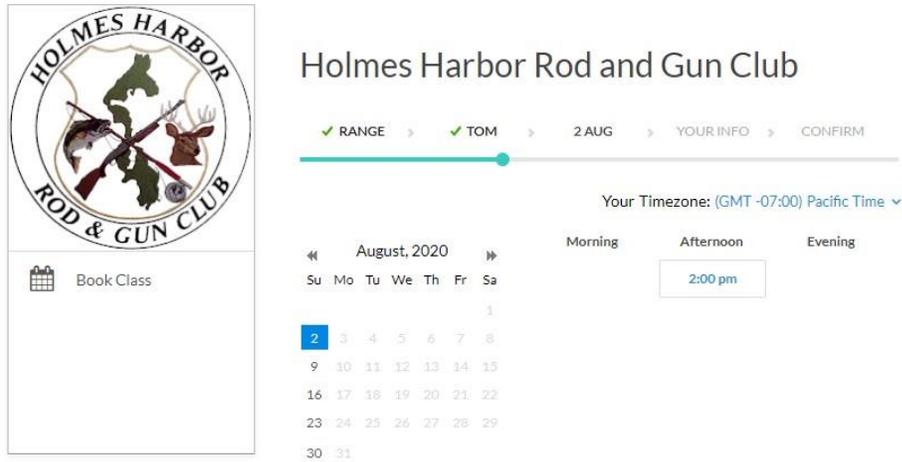

When you go to [hhrgc.setmore.com](http://hhrgc.setmore.com), you will see the following screen:

Click "Range Orientation". This will take you to the following screen:

Choose an instructor on this screen, depending on which day you want to take the class – Sundown for Thursdays, Dave for Saturdays, Tom for Sundays. This will take you to the Calendar screen with a calendar showing the classes available for signup:
