Dear Members:

It is our desire to maintain the highest possible safety standards on our ranges and in our community. We request that all members read the attached Range Safety Rules and sign below to indicate you have read and received them. If you plan on using the ranges you will need to attend one of our Range Orientation Meetings. You will then be giving a yellow Club sticker to attach to your membership card. You are required to wear your card with the sticker while using the clubs shooting ranges at times other than organized matches.

**I have read the range rules of the Holmes Harbor Rod and Gun Club and agree to follow them when using Club facilities.**

Member (please print) \_\_\_\_\_ Signature \_\_\_\_\_

Spouse (please print) \_\_\_\_\_ Signature \_\_\_\_\_

## **Holmes Harbor Rod & Gun Club Range Rules**

1. Safety is our foremost concern. Everyone using the ranges must read and strictly follow the rules pertaining to that specific range.
2. This facility is for use by members only. Guests and any family members under 21 years of age must be accompanied by and shoot under the direct supervision of an adult member. The adult member must have a range sticker on their membership card and will be responsible for their guests.
3. Eye and ear protection is required for shooters and spectators.
4. No alcohol/drug use is allowed prior to or during range use.
5. Guns will remain unloaded with actions open until the shooter is on the firing line and ready to shoot. Always point the muzzle in a safe direction. Don't touch the trigger until ready to shoot.
6. No loaded guns are to be handled off the firing line. All guns will be holstered or benched with actions open whenever anyone is down range or the firing line is closed. Any gun carried by hand must be unloaded with action open.
7. Know where others are at all times. Absolutely NO shooting unless everyone is on or behind the firing line.

### **RIFLE AND PISTOL RANGES**

8. Clearly announce when range is COLD = Cease Fire. All guns down and open, unloaded or holstered. Only then may shooters advance to the target boards.
9. Clearly announce HOT = Shooters and spectators all behind the firing line, ear and eye protection in place.
10. Shoot only at paper targets posted so that bullets passing through will hit the berm. Post targets on boards so as to prevent shooting target frames. In order to prevent ricochets, bullets must not strike the ground but must impact on the dirt backstop.
11. No metal targets of any kind except those authorized by HHR&G at the 50yd. pistol range. Then only non-jacketed lead bullets may be used. No glass of any kind is allowed on the range.
12. Rapid fire (more than one shot per second) is not allowed on the Rifle Range.
13. Clean up after yourself. Remove and dispose of used targets. Clean up your casings. If unwanted, reloadable brass should be placed in containers provided.
14. Display the HHR&G club sticker on your vehicle. Expect to be asked for club ID if no sticker is displayed. Be prepared to show your membership card with Range Sticker when using any range.
15. Safe shooting is every member's responsibility. Deal with infractions immediately. If needed, report incidents in writing to the Range Master or Board of Directors. Safety rule violations may result in loss of range privileges.
