

Novice Shotgun Shoot

Holmes Harbor Rod and Gun Club is holding a couple of novice shotgun shoots designed to help new or out of practice shotgunners to come out to the club and try shooting some trap.

Coaches will be on hand to explain and demonstrate trap shooting techniques. A special \$10 fee will purchase a box of shotgun shells and a line of trap consisting of 25 clay targets. Shooters are encouraged to bring their own shotguns. Guns must be brought to the club cased, boxed or covered. Some loaner shotguns will be available.

Novice Shoots start at 11 am on the Sundays August 5th and September 2nd.
