April 2020

In these challenging times, the Board's thoughts are with our members and their families as they weather the Covid-19 pandemic and its impact on our lives, our health, and our financial well-being.

As you know, we're delighted to offer take-out-only meal service for members and the entire community. Our staff and volunteers have been busy filling orders, providing income for staff as well as revenue to help pay the club's ongoing expenses. It feels great to have a win-win in a news environment that

doesn't hold a lot of good news.

With the clubhouse closed other than the meal take-out service (more on page 2), and with shooting events postponed, there's not a lot of news nor announcements to report. However, we are delighted to congratulate these members who participated in the recent Puget Sound Olympic Continental Trap League (PSOCTL) competition:

- Pete Tulloch, Senior Vet HOA (High Over All)
- Sundown Bova, Rookie of the Year
- Dan Lavaty, D Division champ

- Sundown Bova, B Division runner-up
- Evert Olkinen, Second Place, A Division
- Les Hagstrom, Third Place, A Division
- HHR&GC team, Fifth overall of 13 teams.

Be sure to check the club's Facebook page (*Holmes Harbor Rod and Gun Club*) and our website for up-to-date regular and Sunday brunch menus. These change every week.

Until next month, farewell and be safe!

Spotlight

A huge thank you to Eric Lehman of South Whidbey Septic for the excavator work on the berm between the rifle and pistol ranges! This has provided a safer range experience for our members. Thanks, Eric!

And of course kudos to the volunteers and staff who've organized and facilitated the menu take-out service since Covid-19 hit our island. It's a wonderful service to the south Whidbey community, as well as a source of continuing revenue to support the club. Thanks so much, Jodi, Leigh and Pamela!

Reg Cloudsley

We extend a warm welcome to our newest members and their families!

Auxiliary

As you probably know, the club had to cancel our **Annual Easter Egg Hunt**. The Auxiliary hopes to have a spring fling or a summer solstice event for the children, including the Easter Egg Hunt as part of the celebration. What we do, and when we do it, will naturally depend upon government and health department guidelines for public gatherings.

We'll be in touch with current and future Auxiliary members (all will be welcome!) via the Target or a special email update with news of upcoming plans.

Sportsmen News

Effective Immediately

All Thursday and Sunday organized trap, skeet and sporting clays shooting is temporarily suspended. Additionally, all shooting competitions at the HHR&G Club are also temporarily suspended. However, the ranges remain open for individual use - so long as you can safely practice the necessary health (social distance, group size, etc.) and range/shooting safety.

Also, please be advised that our Range Orientation meetings have been temporarily postponed. We will let you know when conditions and arrangements allow these meetings to resume.

To shoot on our Pistol, Rifle and Action Bay ranges you must attend a Range Orientation meeting every three years. If you currently have a yellow or blue sticker on your membership card you may use the ranges. (If you have a blue sticker you may use the ranges until the end of 2020, but please attend a Range Orientation meeting later in the year.)

If you do not have a sticker (e.g. a new member or you are more than 3 years since your last RO), you will need to attend a Range Orientation before you can use the ranges. If you don't have a sticker and want to use the ranges as soon as possible, please send an email with your name, phone number and the best day/time for a call-back to Range@HHRodAndGun.com.

Thank You for Your Care and Support,
Michael McInerney, Range Master
