## June 2020

We're happy that June marks the beginning of getting back to certain activities.

For now, we have reopened the Pine Tree Room, as well as our shooting ranges. See page 3 for more information.

Some members and the general public might feel more comfortable continuing to order meals for take-out, so we will continue this popular service.

Here's something to look forward to – our annual Membership Drive on

Saturday, July 18, with fun for all ages! (Details to come.) How can you help?

- Volunteer – there are a wide variety of roles, and one will surely fit you!
- Attend and participate!
- Invite interested friends to attend, or provide us with their contact information and we'll extend a warm invitation!

Be sure to check the club's Facebook page (*Holmes Harbor Rod and Gun Club*) and our website for other Club news.

Until next month, farewell and be safe! We look forward to seeing you again!

Spotlight

We've missed our members and hope you are all well. As you know, this club was created for you and it's been sad to see it so dark. Even a few short months ago, who would have guessed how important our kitchen is to the club – providing meals for take-out, wages for staff, and much-needed income to help defray club expenses?

We're grateful to our paid staff, to the Board members who've worked tirelessly to make it all possible, and to you for taking advantage of the take-out service!

New Members

The Auxiliary has no news to report. We'll be in touch with current and prospective Auxiliary members (all will be welcome!) via the Target or a special email update with news of upcoming plans.

## *Sportsmen News*

We are very pleased to announce the resumption of our Thursday and Sunday shotgun shoots.

Following Phase 2 guidelines, we will remain outside utilizing the trap-side window to squad. Tape lines will indicate the necessary 6 foot distance from the window for those waiting to sign up.

The restroom will remain available via the parking lot door. As many of our shooting members (including yours truly) are of an age that puts them in harm's way, virus-wise, please follow the recommended 6-foot social distancing guidelines while on the ranges. Masks are recommended for those not actively shooting.

Thursday, June 4: trap and skeet reopening.  
Saturday, June 6: special doubles practice including sporting clays doubles.  
Sunday, June 7: regular trap, skeet and normal sporting clays.

We hope to resume our competitive shooting events in July.

Please join us...safely.

Michael McInerney, Range Master
