A Message From Our Range Master

Thank you from the Range Master!

After my appeal for volunteers in last month's Target, I received responses from several individuals that have offered their help with our ranges. To those who volunteered, THANK YOU! Please watch your email boxes for a couple messages describing the work we're hoping to complete this spring and summer. We'll be in touch very soon. Thanks for jumping aboard!

One more thing, we just finished our 2021 Shooting Events Calendar.

A link to the calendar is posted on the Club's website homepage.

Range Certification classes for 2021

We continue where we left off in 2020 offering two classes per week, at 2 p.m. on Thursdays and Saturdays.

When you receive your 2021 membership card check it for a "Range Certified" sticker.

If your sticker is yellow or blue, use the ranges as usual but note that the blue sticker means you will need to attend a re-certification class sometime in 2021.

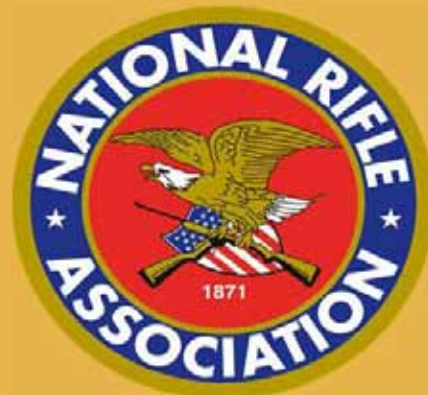

If your card arrives without a sticker you need to attend a class before you can use the ranges (not required for only Thursday and Sunday shotgun sports).

To sign-up for a class go to:
hrgc.setmore.com

If you have a special need send an email to range@hrodandgun.com
