I'd like to put in the following for the next spotlight calling out Mike Wilson:

This month, we're thrilled to shine the spotlight on a member who has truly gone above and beyond for our club—Mike "The Plumber" Wilson. Mike has been an invaluable asset to us, offering his expert plumbing skills whenever we've needed them. Whether it's fixing a tricky leak, maintaining our facilities, or providing advice on complex plumbing issues, Mike is always there with a solution. His willingness to lend a hand, no matter how big or small the task, has made a lasting impact. Mike's contributions have kept our facilities running smoothly and have saved us countless hours and resources. Whether you've had the pleasure of working alongside him or simply chatted with him on the porch, you know that Mike is as reliable and kind-hearted as they come.

On behalf of the entire club, we want to extend our deepest gratitude to Mike for all that he does. It's members like him who make our community strong and vibrant. Thank you Mike, for your unwavering commitment and the countless hours you've dedicated to keeping our club in top shape.

Next time you see Mike around the club, be sure to give him a big thank you for all his hard work!
