Ryther provides exceptional therapeutic services to young people who are struggling emotionally and behaviorally so they may find a path to healing and hope. Ryther serves our region's most severely challenged and vulnerable children, often with nowhere else to turn. For over 130 years, Ryther has been providing vital mental and behavioral health services to these children and families—and is committed to continuing its long tradition of excellence, while growing to serve even more children and families. As a leader in psychiatric and behavioral health services for children and their families, Ryther provides innovative, proven therapies which help children and their parents realize better lives. Ryther uses experiential learning activities and evidence-based and best practices to nurture healthy children and stronger families. They include the whole family within an interdisciplinary approach.

Some of our Whidbey Island children in the past years have used the services of Ryther. The Ryther Facility and Campus is located in North Seattle. The Ryther League has supported Ryther through fundraising, volunteer work and financial donations. The League is comprised of individual units and members-at-large throughout the Puget Sound area. Our unit on South Whidbey Island started in 1954 and continues to support Ryther every year with our Dinner/Auction along with other donations.
