Elsie Furman shooting .50 cal muzzleloader

My name is Elsie Furman, and I've been in 4-H for 5 years. I participate in different divisions like, .22 Rifle, .22 Pistol, Shotgun, Muzzleloader, Hunting Skills, and Western Heritage. Last summer I went to Nationals in Nebraska for Pistol, and placed 26th in the country. This past May, I was lucky enough to win our State Qualifier again, so this year I'm returning to nationals for Shotgun. I am also a part of the HHRG Youth Program, and shoot every Thursday and Sunday.

My name is Lia Stamatiou, and I have been in 4-H for 13 years. I got my first hunting compound bow for my 14th birthday and upgraded to a target compound at 17 after working hard and saving up for several months. I qualified for nationals in May of 2025 and I am very excited for this experience. I enjoy competing inside and outside of 4-H and I'm very committed to archery. I am a member of the National Field Archers Association and have competed at State events.

# Falling Plate

**Saturday, April 11th**

This will be a head to head falling plate match with any center fire pistol or PCC or 22 LR pistol or rifle; any sights. No magnums. You must have lead core bullets. Ten round magazine unless there is an unlimited class competition included. Start position is “low ready”. Squad size of 6 shooters. Everyone will shoot against each competitor twice (entries) and one point will be given for the first one to clean their rack. Shooter with the most points wins the match.

- Entry fee is \$5 per gun.
- Setup at 10 am, safety meeting follows directly,
- Shooting starts after safety meeting,
- Round count based on how many competitors there are.
  - *Bring at least 80-100 rounds* per match. Most shooters
  - shoot two matches one for pistol and the other for rifle.
- **You must sign up before shooting begins as we will use a matrix to determine the head to head shooting order.**
- Payout based on entries collected.

**Restaurant  
Opens  
at Noon**

**Unlimited gun competition:** Similar to falling plate but the shooters select any gun to compete. No limitation on magazine size, or gun selected to use per gun listed above. The competition uses a double elimination bracket, winners move on to compete for 1st and 2nd, losers enter a lower bracket and compete for 3rd. Shooter shoot one time per round.

## Notes from the Range

4/9/2026

Your Range Committee meets in the Trap Shack 2<sup>nd</sup> Thursday each month at 4:30p. The members of your committee include Mike McInerney, Larry Wright, Ed Noble, Doak Mahlik, Sundown Bova, Hunter Bova, Brian Hanson, and Rangemaster Dave Shupe. All members are encouraged to bring range issues to a committee member. Our committee meetings are open to any member wishing to participate.

**Liability Waiver will be coming.** Your Range Committee has been working on a waiver that all **shooters will be required to sign** before they can shoot at our ranges. This is a requirement from our Insurance Company. Once we have a draft ready we will send to the members for review. We are working on the implementation policy, but eventually everyone who shoots at HHR&GC will be required to sign. More to follow,

Shotgun backup: We are looking for somebody to backup Judy selling shotgun lines on Thursday & Sunday in case she is ill or out of town. If interested contact me or a range committee member.

Also correct Range committee members to include Brian Hanson
